KEYNOTE SPEAKER

David Radcliffe, VP, Google, Real Estate and Workplace Services. Hear how David's organization, renowned for building and maintaining unique, invigorating and fun environments that allow employees to focus on innovation, yet are cost effective and productive, make a meaningful difference to their employees at Google.

ABOUT THE CONFERENCE

This is CoreNet Global's Fourth Annual Learning Event in the Rocky Mountain Region. Nationally acclaimed Keynote Speakers and CRE Leaders share their perspectives on a range of topics related to business strategy and trends impacting the corporate real estate world today. Attendance will help corporate real estate practitioners and their service providers better learn, adapt and lead in today's volatile business environment.

WHO SHOULD ATTEND

This high quality program includes nationally recognized industry leaders and local experts. The learning event will benefit all those participating in the corporate real estate industries including CRE leaders and managers, commercial brokers, design and construction professionals, property managers, facility managers, portfolio planners, economic developers and consultants.
